

**SHREE LABEL CREATION**

*Efficient Labeling, Tailored Solution*

# Who we are

**Shree Label Creation**, a premier partner for printed product labels. We specialize in multitudinous printed labels tailored to industries unique needs. With years of expertise, we offer a diverse range of labeling options embossing, foil stamping, turn bar printing, UV coating, lamination, fanfold, precise die cutting to elevate your products with a touch of elegance. Our commitment to excellence ensures precise, impactful branding material that resonates with requirements of valuable clients.

## OUR SERVICES

- **Custom Label Printing**

We specialize in Conceptualization, Designing and customization of product labels (i.e. Chromo, Polyester, Transparent, Metallic) as per our client's requirement to showcase their brand identity with clarity and impact.

- **Barcode Labels (Plain / Printed)**

We manufacture Barcode labels with customsize, die cut, colored, plain and durable print in both Roll and Sheet Form. These barcodes provide an indispensable tool for tracking a variety of data, from pricing to inventory like shipping labeling, pharmaceutical, price tag, food and bakery, post office, Hospitals, Security application, inventory and similar other process. Our high-quality Barcodes labels ensure reliability, accuracy and high quality printing.

## ● POS Rolls (Plain / Printed)

We manufacture Point-of-Sale (POS) rolls tailored to your needs with rear/front and both sides printing with variable sizes. Our printed POS rolls uphold high standards of quality and reliability.

The POS rolls are used in ATM, Swipe machine, Electricity billing, Departmental store, Bus Ticket, Fuel station, Parking Ticket, Movie Ticket, Game zone, Restaurant, Cash Register, Traffic points and similar other places.

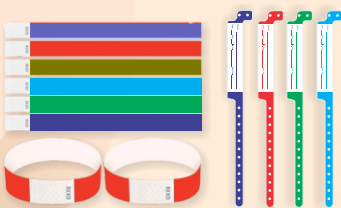

## ● Boarding Pass & Baggage Tag

We are serving the Airline companies by manufacturing Boarding Passes & Baggage Tags with high quality printing with precise margins and fonts to meet the maximum standards of Airline Companies.

## ● Plotter Rolls

We manufacture plotter rolls in various GSM (Grams per Square Meter) options; there is a wide selection to choose from, catering to diverse client needs. GSM determines paper weight and thickness, crucial for different printing purposes such as architectural drawings, business presentation, posters, charts and quick drafts.

## Upcoming Product

### ● Wrist Band

We are coming up with a new product (Wrist Band) with best quality where its utility will be in hospitals, water parks, events, identification marks etc.
